

## After School Academic Program 2011-12

---

**Mission Statement:** The After-School Academic Program (A.S.A.P.) is designed to increase the academic achievements, social development and life opportunities of children at Mission Dolores Academy.

We pursue our mission because we believe in the extraordinary potential within all of our children. Mission Dolores Academy's After School Academic Program features:

- \* Homework assistance and tutoring in literacy and math
- \* Enrichment community activities (arts, crafts, dance, etc.)
- \* Mentoring from positive adult role models to build self-esteem and respect for others.
- \* Leadership of committed teachers, staff and trained college tutors.
- \* Demonstrated academic improvements and motivation to learn.
- \* Structured, safe and fun environment for all students.

We at Mission Dolores Academy believe that the learning opportunities don't stop when the school bell rings at 4 p.m. The After School Academic Program is a supplemental educational program designed to boost children's academic and social achievements in a safe and supportive environment. Mission Dolores Academy would like to take full advantage of the time a student has after school to get a start on the daily homework. We understand that homework is essential to reinforcing the skill our students learned throughout the school hours. It is our goal that each student will be able to come home with a portion of their homework completed, allowing the parents more time to simply continue to guide them to completion

**HOURS**                    4:00 p.m.-6:00 p.m.     Regular School Days  
                                  12:30 p.m.-6:00 p.m.    Minimum Days (There will not be ASAP on certain days)
